

Resources for Individuals and Families Affected by COVID-19

To help decrease the spread of COVID-19 it is important to practice physical distancing from others, wear a face covering if you are within 6 feet of others outside of your household, avoid groups/gatherings, wash your hands often and sanitize high touch areas in your home, car and work. Listed below are resources that are intended to relieve the burden this may place on individuals affected by COVID-19 in Yamhill County.
